ROE@FRAZER.LAW

ROE FRAZER is a trial lawyer with 33 years of experience in complex litigation, with over two billion dollars in trial verdicts and settlements on behalf of plaintiffs. He is a principal in Frazer PLC, a boutique litigation law firm centered on representing organizations, companies, health care providers, and individuals in complex litigation matters. Frazer PLC collaborates with many law firms in almost every case in order to meet the needs and demands of the particular clients and the cases.

With a *Martindale* AV+ rating, Roe is a frequent speaker and writer on a variety of legal and technology topics, serving on the Evolving Legal Market Committee of the Tennessee Bar Association and the CLE Committee of the Nashville Bar Association. Roe is one of the leading attorneys in the United States on the strategic use of legal technology in litigation and ESI protocol, having started two very successful e-discovery software companies, CaseLogistix and Cicayda.
